Dear Orthopaedic Colleagues from the Bombay Orthopaedic Society (BOS), from all over India & from across the Globe.

It is with great honour, immense pride and a deep sense of responsibility, that I assume the role of President of this august body, the Bombay Orthopaedic Society, that all of us love so dearly. I am humbled by your trust and excited to embark on this journey alongside each one of you.

BOS stands on the shoulders of legendary Orthopods from Mumbai like Dr. K. S. Masalawala, Dr. K. T. Dholakia, Dr. K. V. Chaubal, Dr. J. C. N. Joshipura, Dr. D. D. Tanna, and my teachers Dr. N. S. Laud, Dr. V. T. Ingalthalikar, Dr. A. B. Goregaonkar and Dr. Ram Chaddha, who have built a strong foundation for the orthopaedic community, not only in Mumbai or in India, but across the globe. For over SIX DECADES since its inception in 1964, BOS has been a leader in the field of orthopaedics, a shining beacon of excellence in orthopaedic education. Over these sixty years, BOS can boast of directly or indirectly influencing upto $\frac{1}{4}$ th of all practicing orthopaedic surgeons in India through its fellowships and observerships, various courses and its star attraction. BOS faculty is highly sought, at conferences across the nation for its incredible knowledge, experience and teaching excellence. Hail BOS!!!

As President of BOS, I am committed to our shared goal of promoting Excellence in Orthopaedic Care across the globe. "BOS Worldwide" - is an initiative to collaborate with orthopaedic societies within India, and from across the globe with a view to sharing knowledge, experience, innovations and expertise through shared academic programs. Under the BOS Worldwide umbrella, we have planned the following programs across the year.

1. BOS Worldwide webinars: In collaboration with international societies in a case based format, specifically directed at general orthopaedic surgeons. (90 - 120 mins; once a month; Online)
2. BOS Outreach programs: In collaboration with city / state chapters across India. Once a month
3. BOS Live Surgery Symposia: Four symposia to be held as part of a BOS Basic Course on the same topic. 10 - 12 recorded surgeries to be telecasted within the hospital but also to hopefully 25 centres across India.
4. BOS Monographs: Six to be released at WIROC 2025

This is in addition to the BOS Clinical Meetings, the BOS Master Series, the much sought after BOS Courses and a grand WIROC. My predecessor Dr. Mohan Desai and his team have started a BOS Clinical Fellowship Program, which the present committee aims to consolidate and build upon over the year.

This ambitious agenda will require active participation from each and every one of our members. I look forward to working together with all of you to achieve great things for the Bombay Orthopaedic Society in particular, and the orthopaedic community at large.

Thank You & Hail BOS.

DR. GAUTAM ZAVERI

HON. PRESIDENT
BOMBAY ORTHOPAEDIC SOCIETY

Glory days, well, they'll pass you by...
Glory days, in the wink of a young girl's eye...
- Bruce Springsteen

These words, though from a rock ballad about time gone by, somehow carry the exact sentiment I feel as we step into the 60th year of our beloved society. They remind us of our youthful energy, our memories filled with purpose – and they point not just to what was, but to the promise of what still can be.

The Bombay Orthopaedic Society (BOS) has become more than just a professional organization; it is a legacy, a benchmark of academic integrity, and a community that continues to shape orthopaedics in India. It is not surprising that academic bodies across the country look up to us – often drawing inspiration from our structure, our programs, and our spirit.

In an era of knowledge explosion, where new techniques, technologies, and treatment paradigms emerge almost daily, we are often overwhelmed by information. But it is here that our society needs to stand tall with the stellar faculties and academicians who grace our meetings with their presence and help orthopaedic surgeons distinguish the signal from the noise. We must also make allowance for the adoption of newer concepts and temper it with the wisdom of the seniors.

This year, we present to you a handcrafted academic calendar, thoughtfully curated to offer a well-rounded exhaustive practical learning experience. Our courses go beyond the classroom – they encompass theory, saw bone workshops, cadaver training, live and relive surgeries, and even the unique opportunity for delegates to scrub in and learn firsthand.

We've proposed to make small but noticeable changes to our clinical meetings, to align them with the needs of both the aspiring trainee and the seasoned consultant and renew the vigour for what still is one of the foremost flagship activities of our society.

The Master Series will tackle real-world challenges that we often face, bringing insights from the best minds in our city and around. These sessions will not only be rich in discussion, but also structured to create meaningful bite-sized digital content for later consumption.

I am especially proud to share that we are expanding our Fellowship Program. In addition to Arthroplasty, we now offer structured fellowships in Spine and Paediatric Orthopaedics with defined syllabi, dedicated mentors, and clear learning outcomes.

DR. ASHISH PHADNIS

HON. SECRETARY
BOMBAY ORTHOPAEDIC SOCIETY

Our journey ahead is filled with opportunity - to innovate, to learn, and to lead, none of this is possible without you. Your engagement, participation, and support are the driving forces behind everything we do, as we look forward, I'm reminded once again of words that capture the very essence of what we strive for - as individuals and as a collective:

*Kadam milakar chalna hoga,
Kathinaiyan aati hain, aayen,
Ghiri ghataen, ghiren, ghirayen;
Par dhyanakar unka karna hoga,
Kadam milakar chalna hoga."*

- Atal Bihari Vajpayee

Let us continue to walk together, stride by stride - honouring the past, embracing the present, and building a future that will carry the legacy of the Bombay Orthopaedic Society for generations to come.

Thank you.

DR. ASHISH PHADNIS

HON. SECRETARY
BOMBAY ORTHOPAEDIC SOCIETY

DATE	EVENT	TOPIC

DR. K. V. CHAUBAL CLINICAL MEETINGS

The Clinical Meetings are held on the **First Sunday of even months of the year** from **9.00 am to 1.00 pm**. The Clinical Meetings for the year 2025-26 are as follows:

DATE	HOST INSTITUTE	CONVENER
APRIL 6, 2025	TNMC & BYLN Charitable Hospital, Mumbai	Dr. R. C. S. Khandelwal
JUNE 1, 2025	Bombay Hospital and Medical Research Centre, Marine Lines, Mumbai	Dr. Vishal Kundnani, Dr. Parag Munshi
AUGUST 3, 2025	LTMGH & LTMMC, Sion, Mumbai	Dr. Arvind Goregaonkar
OCTOBER 5, 2025	P. D. Hinduja Hospital & Medical Research Center, Mahim, Mumbai	Dr. Sanjay Agarwala
DECEMBER 7, 2025	K. B. Bhabha Municipal General Hospital, Bandra, Mumbai	Dr. Swapnil M. Keny
FEBRUARY 1, 2026	Bai Jerbai Wadia Hospital for Children, Parel, Mumbai	Dr. Rujuta Mehta
APRIL 5, 2026	DY Patil Hospital, Nerul, Navi Mumbai	Dr. Prakash Samant

ANNUAL GENERAL BODY MEETING (2026)

Date for the Annual General Body Meeting will be 22nd March 2026.
The venue will be announced at a later date.

DR. L. N. VORA MASTER CARES AND MASTER SHARES

Convener for Dr. L. N. Vora Master Cares & Master Shares Series (2025-26)

Dr. Sudhir Sharan (Hon. Vice President, Bombay Orthopaedic Society)

This year the Master Series shall adhere to its stated purpose of having simple topics discussed by genuine Masters in the field. Aim is for the orthopaedic surgeon to interact with experts in the field for sharing knowledge based on their years of experience.

The theme is 'do it right' and most of the talks shall be based on techniques which give better outcomes for the problems which present to us. Let us look forward to a scintillating series of didactic and interactive sessions with the experts in their field.

DATE	TOPIC	CONVENERS	VENUE
MAY 4, 2025	Failed Proximal Femoral Fractures	Dr. Girish Dewnany Dr. Sunil Shahane	TNMC & BYLN Charitable Hospital, Mumbai
JULY 6, 2025	Upper Limb Mal-unions and Non Unions	Dr. Sangeet Gawhale Dr. Shakir Kapadia	Saifee Hospital, Charni Road, Mumbai
SEPTEMBER 7, 2025	Lower Limb Mal-unions and Non Unions	Dr. Pradip Nemade Dr. Mohan Desai	KEM Hospital, Parel, Mumbai
NOVEMBER 2, 2025	Peri Op Care and Rehabilitation	Dr. Ashish Phadnis	Jupiter Hospital, Thane
JANUARY 4, 2026	Surgical Site Infections	Dr. Sachin Bhonsle Dr. Vikas Agashe	Fortis Hospital, Mulund, Mumbai

02.00 PM SUNDAY, DEC. 14, 2025	Failed Fracture Fixations	Asia Pacific Orthopaedic Association	Dr. Ashish Phadnis
08.30 PM SATURDAY, JAN. 10, 2026	Degenerative Rotator Cuff Tears	European Arthroscopy Society	Dr. Prasad Bhagunde
02.00 PM SUNDAY, FEB. 8, 2026	Complex Elbow Trauma	Australian Elbow Society	Dr. Prashant Kamble
08.30 PM SATURDAY, MARCH 14, 2026	Deformity Correction	WOICE + ASAMI	Dr. Rujuta Mehta, Dr. Ruta Kulkarni

LIVE IN BOX SURGERIES

This year, there will be four focused live in box surgery symposia. These will coincide with the basic courses of the specialty and will be free for all BOS Members and Non-Members to attend. Key opinion leaders from the specialty have recorded high-resolution videos of both common and complex surgeries and will discuss them interactively, step by step. These surgeries will also be broadcast live to different cities around the country, enabling good live interaction. The dates and venues for the Live in Box Surgeries are as follows:

DATE	TOPIC	VENUE
MAY 18, 2025	Hand Surgery	Jupiter Hospital
NOVEMBER 9, 2025	Paediatric Orthopaedics	Sion Hospital
JANUARY 18, 2026	Shoulder & Elbow	Cooper Hospital
TBD	Foot & Ankle	TBD

BOS OUTREACH PROGRAMS

APRIL 19 & 20, 2025: AURANGABAD

Partnering Association: Aurangabad Orthopaedic Association

Day1: PG Teaching | **Day 2:** CME on Paediatric Fractures

BOS Faculty: Dr. Gautam Zaveri, Dr. Taral Nagda, Dr. Swapnil M. Keny, Dr. Sandeep Vaidya, Dr. Chasanal Rathod

MAY 10 & 11, 2025: BHUBANESWAR

Partnering Association: Orissa Orthopaedic Association

CME on Musculoskeletal infections

BOS Faculty: Dr. Gautam Zaveri, Dr. Vikas Agashe, Dr. Shubhranshu Mohanty, Dr. Mandar Agashe, Dr. Aditya Menon, Dr. Ayesha Sunawala

JUNE 15, 2025: VAPI

Partnering Association: South Gujarat Orthopaedic Association

CME on Upper limb trauma

BOS Faculty: Dr. Gautam Zaveri, Dr. Ashish Phadnis, Dr. Pradip Nemade, Dr. Prashant Kamble, Dr. Parag Lad

JULY 19 & 20, 2025: RAIPUR

Partnering Association: Chhattisgarh Orthopaedic Association

Day 1: Postgraduate teaching program | **Day 2:** CME on Upper limb trauma (All Humerus)

BOS Faculty: Dr. Gautam Zaveri, Dr. Sachin Bhonsle, Dr. Satish Mutha, Dr. Rohan Habbu, Dr. Anoop Dhamangaonkar

AUGUST 23 & 24, 2025: NANDED

Partnering Association: Nanded Orthopaedic Association

Day 1: Upper limb trauma | **Day 2:** Lower limb trauma

BOS Faculty: Dr. Gautam Zaveri, Dr. Hemant Patankar, Dr. Sangeet Gawhale, Dr. Sachin Kale, Dr. Abhijit Kale, Dr. Harshad Argekar

SEPTEMBER 21, 2025: RAJKOT

Partnering Association: Rajkot Orthopaedic Association

Wrist & Hand

BOS Faculty: Dr. Gautam Zaveri, Dr. Sudhir Warriar, Dr. Pankaj Ahire, Dr. Prashant Kamble, Dr. Parag Lad

OCTOBER 12, 2025: JABALPUR

Partnering Association: Madhya Pradesh Orthopaedic Association

BOS session at MPOA: Surgical site infections

BOS Faculty: Dr. Mangal Parihar, Dr. Aditya Menon, Dr. Sitaram Prasad, Dr. Siddharth Shetty

OCTOBER 26, 2025: INDORE

Partnering Association: Indore Orthopaedic Association

MSK Tumors

BOS Faculty: Dr. Chetan Anchan, Dr. Mishil Parekh, Dr. Manit Gundavda, Dr. Pratik Hegde

NOVEMBER 8 & 9, 2025: UDAIPUR

Partnering Association: Rajasthan Orthopaedic Association

Day 1: PG Teaching Program | Day 2: PG Teaching Program

DECEMBER 13 & 14, 2025: JABALPUR

Partnering Association: Jabalpur Orthopaedic Association

Day 1: CME on paediatric trauma | Day 2: CME for adult trauma

JANUARY 11, 2026: RANCHI

Partnering Association: Jharkhand Orthopaedic Association

Day 1: Paediatric Trauma | Day 2: Adult Trauma

FEBRUARY 15, 2026: NASIK

Partnering Association: Nasik Orthopaedic Association

CME on Periprosthetic fractures & Infections

MARCH 14 & 15, 2026: JODHPUR

Partnering Association: Jodhpur Orthopaedic Association

Day 1: PG teaching program | Day 2: CME topic (TBD)

HAND SURGERY COURSE

Course Convener:	Dr. Parag Lad (Mob: +91 8879100395)
Co-Conveners:	Dr. Prashant Kamble (Mob: +91 9930833434) Dr. Kiran Ladkat (Mob: +91 9819530231)
Maximum Delegates:	20
Course Fees:	Member & PG Student: ₹ 13,500 + ₹ 2,430 (GST) = ₹ 15,930 Non-Member: ₹ 20,000 + ₹ 3,600 (GST) = ₹ 23,600
Dates:	May 17 - 23, 2025
Venue:	Pinnacle Ortho Centre, Mumbai Jupiter Hospital, Thane Zen Hospital, Mumbai Godrej Memorial Hospital, Mumbai JJ Hospital, Mumbai OR Laud Clinic, Mumbai KEM Hospital, Parel, Mumbai
Proposed Faculty:	Dr. Kiran Ladkat, Dr. Hemant Patankar, Dr. Sudhir Warriar, Dr. Pankaj Ahire, Dr. Rohan Habbu, Dr. Prashant Kamble, Dr. Parag Lad
Course Highlights:	Live Surgeries, Relive Surgeries, Interaction and small group discussions with masters, visitation to high volume centers of hand surgery to see cases, dedicated modules on Biomechanics, exposures and rehabilitation and splints
Format and Pattern:	Physical
Learning Material:	Course material and PDF of talks with Videos of certain techniques

BASIC ARTHROPLASTY COURSE

Course Convener:	Dr. Abhijit Kale (Mob: +91 9819957525)
Co-Conveners:	Dr. Gaurav Kanade (Mob: +91 9819952457) Dr. Ashish Phadnis (Mob: +91 9870009830)
Maximum Delegates:	30
Course Fees:	Member & PG Student: ₹ 15,000 + ₹ 2,700 (GST) = ₹ 17,700 Non-Member: ₹ 20,000 + ₹ 3,600 (GST) = ₹ 23,600

Dates:	July 12 - 18, 2025
Venue:	Apollo Hospital, Belapur, Navi Mumbai Sion Hospital, Sion, Mumbai DY Patil Medical College, Navi Mumbai Jupiter Hospital, Thane
Proposed Faculty:	Dr. Mohan Desai, Dr. Sanjay Dhar, Dr. Milind Patil
Course Highlights:	This course is uniquely structured to provide a hands-on, interactive, and patient-centered approach to learning primary hip and knee arthroplasty. Unlike traditional lecture-based courses, we focus on practical skill development and real-world decision-making through Comprehensive Cadaveric
Format and Pattern:	Live Surgeries Relay, Live Demonstration in OT, Hands-on Workshop, Cadaveric Workshop, Bone-Model Workshop
Learning Material:	Course material and PDF of talks with Videos of certain techniques

BASIC ARTHROSCOPY COURSE

Course Convener:	Dr. Sandeep Biraris (Mob: +91 9757060888)
Co-Conveners:	Dr. Nilesh Vishwakarma (Mob: +91 9869979657) Dr. Pradip Nemade (Mob: +91 9819936959) Dr. Ankit Amin (Mob: +91 7208498885) Dr. Abhishek Nerurkar (Mob: +91 9820661775)
Maximum Delegates:	20
Course Fees:	Member: ₹ 25,000 + ₹ 4,500 (GST) = ₹ 29,500 Non-Member: ₹ 30,000 + ₹ 5,400 (GST) = ₹ 35,400
Dates:	July 19 - 25, 2025
Venue:	MGM Medical College, Kamothe Mumbai Port Authority Hospital KEM Hospital, Parel Sports Med and various other places
Proposed Faculty:	Dr. Nicholas Antao, Dr. Sanjay Desai, Dr. Abhay Narvekar, Dr. Anant Joshi, Dr. Sanjay Garude, Dr. Roshan Wade, Dr. Dinshaw Pardiwala, Dr. Milind Pimprikar, Dr. Ashwin Samant,

Dr. Hetal Chiniwala, Dr. Ashish Arbat, Dr. Nikhil Iyer, Dr. Mihir Patel,
Dr. Nagraj Shetty, Dr. Prakash V. Patil, Dr. Kumar Dussa,
Dr. Shaligram Purohit, Dr. Pradip Nemade, Dr. Sandeep Biraris,
Dr. Miten Seth & many more

Course Highlights:	7 Days course involving didactic lectures, Cadaveric workshop, Cadaveric relay, one to one teaching at various centers in Mumbai.
Format and Pattern:	Physical
Learning Material:	Course material and PDF of talks with Videos

BASIC TRAUMA COURSE

Course Convener:	Dr. Sachin Kale (Mob: +91 9821431687)
Co-Convener:	Dr. Abhijit Kale (Mob: +91 9819957525)
Maximum Delegates:	20
Course Fees:	Member & PG Student: ₹ 13,500 + ₹ 2,430 (GST) = ₹ 15,930 Non-Member: ₹ 20,000 + ₹ 3,600 (GST) = ₹ 23,600
Dates:	September 12 - 18, 2025
Venue:	Sion Hospital, Sion, Mumbai DY Patil Medical College, Navi Mumbai Apollo Hospital, Belapur, Navi Mumbai
Proposed Faculty:	Dr. Sanjay Dhar, Dr. Arvind Goregaonkar, Dr. Gaurav Sharma, Dr. Jairam Jagiasi, Dr. Ashish Phadnis, Dr. Vijay Shetty, Dr. Harshad Argekar, Dr. Kapil Pawar, Dr. Jayesh Baviskar, Dr. Lokesh Nair, Dr. Ganesh Yeotiwad, Dr. Sunil Shetty, Dr. Pramod Bhor, Dr. Prasad Chaudhari, Dr. Pankaj Ahire, Dr. Parag Lad, Dr. Ashok Ghodke, Dr. Satish Mutha, Dr. Sidharth Yadav, Dr. Prashant Agarwal, Dr. Vikram Paode, Dr. Sanesh Tuteja, Dr. Sangeet Gawhale
Course Highlights:	A unique 7-day course - the only one in the world that combines: Lectures from masters in trauma surgery, Clinical case discussions on real-world challenges, Live surgical demonstrations, OT visits to see experts in action, Networking & career guidance for future growth.

Format and Pattern:	Live Demonstration in OT, Hands-on Workshop, Cadaveric Workshop, Bone-Model Workshop
Learning Material:	Cadaver Workshop, Saw Bone Interactive Session, Case Base Discussion

JESS COURSE

Course Convener:	Dr. Rajesh Gandhi (Mob: +91 9820057969)
Co-Convener:	Dr. Jairam Jagiasi (Mob: +91 9820662166)
Maximum Delegates:	10
Course Fees:	Member & PG Student: ₹ 12,000 + ₹ 2,160 (GST) = ₹ 14,160 Non-Member: ₹ 12,000 + ₹ 2,160 (GST) = ₹ 14,160
Dates:	November 5 - 7, 2025
Venue:	Sion Hospital, Sion, Mumbai MGM Hospital, Belapur, Navi Mumbai SRCC, Haji Ali, Mumbai BJ Wadia Children's Hospital, Parel, Mumbai Jupiter Hospital, Thane
Proposed Faculty:	Dr. Ram Prabhoo, Dr. Rajesh Gandhi, Dr. Jairam Jagiasi, Dr. Rujuta Mehta, Dr. B. G. Kanaji, Dr. Sandhya Kaushik, Dr. Aditya Kaushik, Dr. Binoti Sheth, Dr. Tanay Prabhoo, Dr. Taral Nagda, Dr. Tushar Agarwal, Dr. Jaideep Dhamele
Course Highlights:	It's an alternative / additional method. It can be temporary or final Standalone method of treatment in special situations.
Format and Pattern:	Live Surgeries Relay, Live Demonstration in OT, Hands-on Workshop, Bone-Model Workshop
Learning Material:	JESS Trauma Book

BASIC PAEDIATRIC ORTHOPAEDIC COURSE

Course Convener:	Dr. Binoti Sheth (Mob: +91 9869913622)
Co-Conveners:	Dr. Avi Shah (Mob: +91 9820060138) Dr. Chintan Doshi (Mob: +91 9867070576)
Maximum Delegates:	15
Course Fees:	Member & PG Student: ₹ 20,000 + ₹ 3,600 (GST) = ₹ 23,600 Non-Member: ₹ 23,000 + ₹ 4,140 (GST) = ₹ 27,140
Dates:	November 8 - 14, 2025
Venue:	Sion Hospital, Sion, Mumbai BJ Wadia Children Hospital, Parel Jupiter Hospital, Thane Gait lab at St. Xavier's Engineering College, Mahim MGM Hospital, Kamothe
Proposed Faculty:	Dr. Binoti Sheth, Dr. Rujuta Mehta, Dr. Alaric Aroojis, Dr. Taral Nagda, Dr. Atul Bhaskar, Dr. Chasanal Rathod, Dr. Mandar Agashe, Dr. Sandeep Vaidya, Dr. Tushar Agarwal, Dr. Swapnil M. Keny, Dr. Jaideep Dhamele, Dr. Avi Shah, Dr. Chintan Doshi, Dr. Mudit Shah
Course Highlights:	1. Cadaveric Course 2. Live Surgeries 3. Recorded surgical Videos from Faculty 4. Detailed lectures/ Case-based Discussion on Basic Pediatric orthopaedic conditions 5. Participation of Delegates in the cadaveric course 6. Participation of delegates on performing procedures on bone models
Format and Pattern:	Relay of Live Surgeries, Live demonstration in OT, Recorded teaching Video Sessions, Cadaveric Workshop, Bone-Model Workshop
Learning Material:	Course material and PDF of talks with Videos of certain techniques

SHOULDER & ELBOW COURSE

Course Convener:	Dr. Harshad Argekar (Mob: +91 9820654780)
Co-Convener:	Dr. Satish Mutha (Mob: +91 9821223642)
Maximum Delegates:	15
Course Fees:	Member & PG Student: ₹ 18,000 + ₹ 3,240 (GST) = ₹ 21,240 Non-Member: ₹ 20,000 + ₹ 3,600 (GST) = ₹ 23,600
Dates:	January 17- 23, 2026
Venue:	Cooper Hospital, Vile Parle, Mumbai BJ Wadia Hospital, Parel, Mumbai
Proposed Faculty:	Dr. Satish Mutha, Dr. Harshad Argekar, Dr. Nicholas Antao, Dr. Sanjay Desai, Dr. Sachin Kale, Dr. Abhijit Kale, Dr. Mihir Patel, Dr. Abhishek Nerurkar, Dr. Parag Munshi, Dr. Dipit Sahu, Dr. Jayesh Baviskar, Dr. Pradip Nemade, Dr. Rujuta Mehta
Course Highlights:	Didactic lectures, Cadaveric workshop, Live surgeries, Surgeon Visits to different centres and Relive recorded surgery sessions, small group discussions and saw bone workshops and cadver dissections (subject to availability)
Format and Pattern:	Physical
Learning Material:	Handouts and pdfs of lectures with some surgical videos in a google folder / classroom

ILIZAROV COURSE

Course Convener:	Dr. Divya Ahuja (Mob: +91 9322674647)
Co-Convener:	Dr. Ajit Chalak (Mob: +91 9975704878)
Maximum Delegates:	60
Course Fees:	Member & PG Student: ₹ 10,000 + ₹ 1,800 (GST) = ₹ 11,800 Non-Member: ₹ 12,000 + ₹ 2,160 (GST) = ₹ 14,160
Dates:	February 7 - 8, 2026
Venue:	Club Emerald or Chembur Gymkhana OR Sindhi Society Chembur

Proposed Faculty:	Dr. Mangal Parihar, Dr. Divya Ahuja, Dr. Ajit Chalak, Dr. Ravi Chauhan
Course Highlights:	To get orthopaedic residents and junior orthopaedic surgeons conversant with basic Ilizarov concepts. To improve knowledge (by lectures) and psychomotor skills in applying Ilizarov Frames (Hands-on Sawbone Workshops). Learn to prevent, recognise and treat complications (Case discussions). Standout feature is - maximum 4 delegates on a table and micro teaching at each table by a trained Ilizarov Surgeon as table instructor.
Format and Pattern:	Hands-on Workshop, Bone-Model Workshop
Learning Material:	Will be available online

BASIC SPINE COURSE

Course Convener:	Dr. Gautam Zaveri (Mob: +91 9820504351)
Co-Conveners:	Dr. Jairam Jagiasi (Mob: +91 9820662166) Dr. Siddharth Shah (Mob: +91 9167275533)
Maximum Delegates:	20
Course Fees:	Member & PG Student: ₹ 20,000 + ₹ 3,600 (GST) = ₹ 23,600 Non-Member: ₹ 25,000 + ₹ 4,500 (GST) = ₹ 29,500
Dates:	February 28 - March 6, 2026
Venue:	Sion Hospital, Sion, Mumbai
Proposed Faculty:	Dr. Arvind Goregaonkar, Dr. V. T. Ingalhalikar, Dr. Samir Dalvie, Dr. Ram Chaddha, Dr. Ashok Rathod, Dr. S. K. Srivastava, Dr. Kshitij Chaudhary, Dr. Arvind Kulkarni
Course Highlights:	Theme: "From Decision to Incision" - The theme of the course epitomises the focus on building the core foundations of a Specialist Spine Training. The course would focus on both 'Clinical' and 'Surgical' foundations. The clinical learning would encompass the basic concepts of assessing, examining, investigating, triaging and subsequently making evidence-based treatment decisions. The Surgical learning would involve saw bone workshops, cadaver session and observation session in the OT with Senior Spine Surgeons across Mumbai.

Format and Pattern: Live Demonstration in OT, Hands-on Workshop, Cadaveric Workshop, Bone-Model Workshop

Learning Material: Yes

FOOT & ANKLE COURSE

Course Convener: Dr. Pradeep Moonot (Mob: +91 9869465597)

Co-Conveners: Dr. Dhruvin Sangoi (Mob: +91 8960356035)

Dr. Samarth Thakkar (Mob: +91 9819310196)

Maximum Delegates: 20-25

Course Fees: Member & PG Student: ₹ 18,000 + ₹ 3,240 (GST) = **₹ 21,240**

Non-Member: ₹ 20,000 + ₹ 3,600 (GST) = **₹ 23,600**

Dates: March 26 & 27, 2026

Venue: Various Hospitals in Mumbai

Course Highlights:

1. Basic trauma and elective procedures, relive and live surgeries
2. Surgical approach and execution, Cadaveric Workshop
3. Surgeon-delegate interaction
 - 2 days of the advanced workshop BOS Delegates can opt to join in for a separate fee (10,000 Rs) - Cutting-edge insights into foot and ankle trauma and deformity correction
 - Cold orthopedics: arthritis, tendon pathologies, and deformity reconstructions
 - Live/Relive surgeries
4. Focused workshops on:
 - Calcaneum osteotomies
 - TTC nailing
 - Lisfranc fixation
5. MTP fusion plating

Format and Pattern: Physical

Learning Material: Course material and PDF of talks with Videos of certain techniques

SELECTION CRITERIA

Selection criteria for instructional courses:

- Completed application form with payment in full.
- Attendance certificate of a basic course in the speciality is a must for advanced courses.
- Separate forms or photocopy for each course if candidate is applying for multiple courses requiring physical attendance. Online applications for each course has to be applied for and paid for separately.
- BOS life members will be given priority.
- Post-graduate qualification, present work & experience.
- Registration & Degree Certificate is mandatory.
- Attendance of previous BOS courses.
- Publications, presentations and conferences attended

ONLINE PAYMENT GATEWAY

A facility to make payment online to BOS by credit card has been created. Details will be available on the BOS website. A non-refundable surcharge for this use will be applicable and this will be indicated at the time of billing.

OTHER METHODS OF PAYMENT

Demand drafts and cheques payable at par in Mumbai in favour of **"Bombay Orthopaedic Society"**, must reach the BOS Secretary, 30 days before the commencement of the course. Outstation cheques and cash are not acceptable. Course fee does not include to and fro transport and accommodation in Mumbai. Selected delegates would be notified duly in advance and Cheque of those not selected will be returned. The Bombay Orthopaedic Society reserves the right to cancel / alter the programs for unforeseen reasons. Members may apply for more than one course. They must submit separate, set of application papers for each course or event and D. D. for each course or forum. Incomplete forms will not be accepted. **Use All Caps letters to fill forms.**

CANCELLATION & REFUND

Delegates who want to cancel their registration must notify the BOS Secretariat in writing. 15% amount will be deducted for cancellation one month before the course. The cancellation amount is in addition to the GST paid which will not be refunded. No refund, if cancelled less than a month before the commencement of the course. All refunds will be made by online, only after the respective courses gets over. Candidates who are not selected will be given 100% refund. BOS will not be responsible for any untoward incident (natural or unnatural) due to which the candidate is not able to attend the course.

COURSE REFUNDS DISCLAIMER

It needs to be noted that any course of the BOS may be cancelled or postponed or its program may be altered / modified depending upon some unforeseen circumstances. The Bombay Orthopaedic Society will try and intimate the course delegates in advance in such circumstances. However, it may not be possible for the BOS to intimate or inform the delegates in reasonable time, in case the courses need to be cancelled at a shorter notice. In such a case, the rules of course fees refund will apply. The BOS or its Executive Council cannot be held liable and responsible for any financial losses, which may result due to course cancellation including travel expenses, residential and logistical expenses. Such Expenses shall not be reimbursed to the delegates.

COURSE CERTIFICATES

Delegates will be provided with E-Certificates for courses conducted by Bombay Orthopaedic Society. The certificates can be downloaded from BOS Website (www.bombayorth.in) Each delegate will be provided with a unique username and password. Once logged in, delegates will be able to see a list of all the courses they attended. Option to download E-Certificates will be activated ONLY after submitting the feedback for respective courses.

NOTES:

- **All events conducted by BOS are subject to availability of faculty and adequate number of delegates.**
- **The organizers may change the dates, venue and faculty or may cancel the course in case of unforeseen circumstances.**
- **All events organised by BOS including Courses, Clinical Meetings, Master Series, Conferences including WIROC, are scientific deliberations for registered Orthopaedic delegates only, besides special invitees of the Executive Council.**
- **All scientific deliberations are not open to non-orthopaedic surgeons.**

DR. J. C. TARAPORVALA POSTGRADUATE TEACHING COURSE (2025-2026)

PG TEACHING COURSE

This course is a flagship activity of the Bombay Orthopaedic Society and it is considered as the backbone of orthopaedic teaching since its inception. The course is conducted in the form of 6 to 8 half-day sessions of case presentations by postgraduate students of MS and DNB. The faculty includes postgraduate teachers, senior members and experts of various sub-specialities. We hope to continue the same teaching format in the current academic year and plan to hold the sessions at Lokmanya Tilak Municipal Medical College, Sion.

Convener: Dr. Binoti Sheth

Co-Convener: Dr. Tushar Agrawal

Mentor: Dr. A. R. Karkhanis

Venue: Sion Hospital, LTMMC and Hospital, Mumbai
One Sunday of a Month (excluding 1st Sunday); 09.00 am to 01.00 pm
6 Clinics in a year

Cases: General Orthopaedic short cases, Hip and Spine long cases.
About 100 Candidates per session

Delegate Fees: Nil. Candidates have to be registered with Vama Events with their mobile phone numbers and any change in timings or extra clinics will be informed to them.

Tea and snacks will be provided during the class.

Course Highlights: Long and short cases presentation.

In continuing further, the teachings of the Late Dr. J. C. Taraporvala, Post-Graduate students pursuing their MS, DNB, D.Ortho and FCPS exams will get practical knowledge of case presentation, discussion and logical conclusion on their case.

BOS BOOK AWARD

Bombay Orthopaedic Society wishes to encourage academic book writing by Indian Orthopaedic Surgeons. To this end, it desires to present an **award of Rs. 25,000/- (Twenty Five Thousand Only) to Indian Orthopaedic Surgeons**, who have submitted a book on certain aspects of orthopaedics or related subjects published after 2023. The details of such a book can be brought to the Society's notice by any orthopaedic surgeon or by the publisher of the book. The nominations should be made on the personal letterhead giving reasons for such recommendations. A photocopy of the copyright page that shows the history of the Publication like name and address of the publisher, ISBN, etc. of the book should be attached. BOS Executive Council will refer the applications to a team of experts who will choose an author to whom the award will be bestowed upon. BOS reserves its rights not to give any prize or split it in two or more shares, as it may feel proper. No correspondence will be entertained about this decision. Three copies of the book should be submitted to the Secretariat. If the book is very expensive, electronic copies may be submitted. The books will not be returned after its scrutiny for award. The author should apply to the Secretariat, in an online format. **Last date: August 31, 2025.**

BEST TREATISE AWARD

An **award of Rs. 10,000/- (Indian Rupees Ten Thousand) for a Life Member of BOS** who has done Extensive Original Research and prepared a Treatise on a Project related to Orthopaedics, that contributes significantly, through its conclusions, to the practice of Orthopaedics today. Three copies of the treatise including legends, pictures and references should be submitted. BOS Executive Council reserve its right to give, split or withhold this award based on the applications received. The copies have to be received by August 31, 2025 and may not be returned after scrutiny for the award. Researcher must have done and documented the named research for over 5 years atleast. This does not include P.G. thesis.

RESEARCH COMMITTEE

Bombay Orthopaedic Society desires to promote clinical and basic research in orthopaedics; to this effect, Society wishes to extend monetary support. The Society invites orthopaedic surgeons working in India to approach with research projects. Projects approved by IRB / Institutional Ethics Committee will be preferentially considered for grants. After vetting, the Society will support the effort. Communications may be directed to Hon. Secretary at the Society's office. Projects will be screened and evaluated by our Research Committee and experts and considered for funding. Please submit the project in the prescribed format only available as online on www.bombayorth.in IRB clearance is mandatory before submission. Projects can be submitted round the year.

RECOGNITION OF PUBLICATIONS

BOS in its initiative to encourage academic activities will recognise publications by its members during WIROC every year

- The author must be a life member of BOS
- Publication must be in PUBMED peer-reviewed journals being ISSN number
- Similarly, chapters written in books bearing ISBN number will be recognised
- The application process will be online. For more details, visit www.bombayorth.in (The Secretariat may ask for 3 copies of the publication at a later stage)
- All publications will be reviewed by a committee of experts
- Only articles published / accepted between June 1, 2024 & May 31, 2025 will only be considered for this year's recognition
- Last date for submission: August 31, 2025

JOURNAL OF CLINICAL ORTHOPAEDICS - THE BOS JOURNAL

Rapid developments in all the subspecialties of orthopaedics equates to explosion of knowledge. In our constant quest to keep up with it, we would invite and encourage the members of our society to submit their work through the manuscripts and papers to our Peer Reviewed Journal. We understand that the challenges in the subcontinent are different and so are the demands of our patients. Hence, we at the BOS wish to make this as a platform for our members and other orthopaedic surgeons to find solutions for problems that they can identify with, literature that speaks their language and knowledge that is relevant to practise in the subcontinent. There will be a multitude of reasons to publish and a basic motive is to share knowledge with colleagues.

We invite you to submit your manuscript under the relevant sub specialities. **Kindly visit our website, www.jcorth.com to know more about the Journal of Clinical Orthopaedics.**

BOS WEBSITE

The BOS website was updated last year and we have made it more user friendly. All the online educational activities are available on the website and have been categorized into different sections for easy navigability. Since the pandemic affected our ability to conduct physical meetings regularly, all the online meetings were recorded. They can be assessed via both the website and our youtube channel. The viewership to our youtube channel has grown and now we have 3000+ subscribers. The website will continue to update its members of the society's activities and publish reports and updates as it has done in the past. The BOS also intends to publish a recordings of all WIROC orations online and the website. We will continue to strive for providing high quality web based educational content for members.

BOS HELP DESK

Time: 11.00 am - 4.00 pm (Monday to Friday) BOS has established a Dedicated Telephonic Help Desk for its Members. **Members can reach out on +91 9833635436 for any queries.** This is being done so that, members have a telephonic mode of contact for matters related to membership queries, courses and other academic events.

The BOS Student of the year is a prestigious award and an initiative by the BOS to inspire the Gen Next, an academic discussion, debate and a competition of the clinical skills, knowledge, aptitude, presentation skills of Students in training for the MS in and around the city colleges.

The competition is a three tiered evaluation ensuring a thorough assessment of both clinical knowledge and practical skills, culminating in the final round at WIROC.

Winning this competition is a significant achievement for any participant.

The participants are selected from the various medical colleges and the application is sent via the HOD of the department to the secretary of the BOS.

BOMBAY
ORTHOPAEDIC
SOCIETY

BOS RISING STAR

This is a prestigious competition for newly qualified and budding young orthopaedic surgeons who are BOS Members. The Rising star enables and offers the member an opportunity to shine among the senior colleagues of the society and present in front of the August gathering of orthopaedic surgeons. The competition involves a presentation on a topic of the subspecialty chosen by the member and subsequent question and answers on the presentation. Screening of the applicants and the qualifying rounds will take place in the weeks preceding WIROC and the **final 6 applicants will be chosen to present at WIROC and the winner will be chosen by a jury.**

Last date for application is 1st September 2025 and registration for WIROC is mandatory

Bombay Orthopaedic Society Fellowship Program (2025-2026)

(ARTHROPLASTY, PAEDIATRIC ORTHOPAEDICS, SPINE)

Aim: To offer a structured short fellowship opportunity for orthopaedic surgeons under the aegis of Bombay Orthopaedic Society

Eligibility

- Orthopedic surgeons who have completed MS (Ortho) or DNB (Ortho) and have a minimum of one year of experience after qualification
- Should be a BOS Member or Associate Member

Fellowship Description

- Attend OPD / OT and get an exposure of a variety of cases
- Pre-op workup / planning and post-op duties.
- Maintain a logbook
- To submit a report at the end of the fellowship
- A stipend of Rs. 70,000/- will be paid to cover the expenses

SPINE SURGERY FELLOWSHIP CURRICULUM

FELLOWSHIP PROGRAM

Week 1: Foundations of Spine Surgery

- Orientation & Introduction to Fellowship
- Overview of spine pathologies
- Understanding imaging: X-ray, CT, MRI in spinal disorders
- Basics of conservative vs. surgical management
- Outpatient Clinics & Case-Based Learning
- Patient assessment & decision-making in spine care
- Case presentations & discussions

Week 2: Operative Techniques & Assisted Surgeries

- Hands-on experience in OT
- Observing minimally invasive and open spine surgeries
- Principles of spinal instrumentation
- Cadaveric Workshop & Saw Bones Session
- Journal Club & Literature Review

Week 3: Advanced Spine Procedures & Decision-Making

- Assisting in surgeries: discectomy, fusion procedures
- Post-operative care & complications management
- Case-Based Discussions
- Developing a patient-specific treatment approach

Week 4: Special Topics & Assessment

- Spinal Deformity & Tumor Management
- Scoliosis & kyphosis management
- Spinal tumors: Diagnostic approach & management
- Hands-on Surgical Planning
- Final Assessment & Case Presentation
- Closing Ceremony & Certification

BOS ARTHROPLASTY FELLOWSHIP CURRICULUM

Aim: The goal of the fellowship is to train safe arthroplasty surgeons who build their practices sustainably based on evidence, and a clear understanding of their limitations.

The core pillars of the training program include:

- Theory / Didactic Component: BOS Arthroplasty Fellowship Syllabus
- BOS Arthroplasty Fellowship Syllabus

The syllabus covers the full spectrum of arthroplasty ailments, developed by the Arthroplasty Society academic unit with inputs from KEM consultants.

SYLLABUS

Basic & Applied Sciences

- Anatomy
- Physical Examination
- Radiologic Imaging (joint-specific)
- Diagnostic Evaluations
- General Considerations for Arthroplasty Surgery (Consent, Preparation, Positioning, Equipment, Postoperative Care)

Surgical Approaches

- Hip, Knee, Shoulder and Elbow Instrumentation

Hip Arthroplasty

- Surgical Approaches: Posterior, Anterolateral, Anterior
- Hemiarthroplasty: Cemented, Uncemented
- Total Hip Replacement: Cemented, Uncemented
- Revision Total Hip Replacement: Acetabular & Stem Revisions, 3D Printing and Bone Grafting

Knee Arthroplasty

- Unicompartamental Knee: Fixed & Mobile Bearing
- Total Knee Arthroplasty: Cruciate Retaining, Cruciate Substituting, Mobile Bearing
- Revision Total Knee Replacement: Use of Stems, Constrained Knees, Hinged Knees, Sleeves & Cones, Computer-Assisted & Robotic Knee Replacement

Shoulder Arthroplasty

- Hemiarthroplasty
- Total Shoulder Arthroplasty
- Reverse Shoulder Arthroplasty (with Transfers)

Elbow Arthroplasty

- Total Elbow Replacement

ACADEMIC CAREER TRAINING

- Presenting pre and post-operative cases in PowerPoint format
- Participating in faculty-led critical case discussions
- Conducting case presentations, reading literature, assisting in surgeries, participating in clinics, and engaging in research projects
- Contributing to training programs, conferences, CMEs, and seminars

CASE-BASED DISCUSSIONS (CBD)

CBDs involve structured 10–20-minute discussions between the trainee and mentor,. Trainees present cases from admitted patients in which they had significant involvement.

Assessment topics include:

- Biomechanics
- Preoperative Planning & Templating
- Surgical Techniques & Soft Tissue Handling
- Implant Biomechanics, Choice, & Merits/Demerits
- Rehabilitation & Outcomes
- Complications (Pre, Intra, and Postoperative)
- DVT Prevention & Blood Management
- Infections & Revisions
- Current Concepts in Arthroplasty

PAEDIATRIC ORTHOPAEDICS FELLOWSHIP CURRICULUM

Short-Term Fellowship in Paediatric Orthopaedics

Duration: 4 Weeks

Dates: 8th November – 14th November, 2025: BOS Paediatric Orthopaedic Course
15th November – 29th November, 2025: SRCC Childrens Hospital
1st December – 13th December, 2025: Bai Jerbai Wadia Hospital for Children

Last date to apply: 31st August, 2025

Institutions

- 2 Weeks at SRCC Children's Hospital, Mumbai
- 2 Weeks at Bai Jerbai Wadia Hospital for Children, Mumbai

Aims of the Fellowship

- To provide focused exposure and clinical orientation in Paediatric Orthopaedics.
- To enhance the fellow's understanding of musculoskeletal disorders in children, including diagnosis, management, and follow-up.
- To offer hands-on learning in both outpatient and operative settings under expert guidance.
- To encourage academic interaction and clinical research aptitude among budding orthopaedic surgeons.

Scope and Coverage

During the 4-week tenure, the fellow will:

- Observe and assist in outpatient clinics focused on paediatric orthopaedic cases including congenital, developmental, infectious, traumatic, and neuromuscular conditions.
- Participate in surgical procedures ranging from basic to complex paediatric orthopaedic interventions.
- Attend ward rounds and multidisciplinary team discussions.
- Be exposed to rehabilitation protocols, growth and development monitoring, and long-term management strategies.
- Engage in academic activities such as case presentations, journal clubs, and teaching sessions.

Expectations from the Fellow

- Active participation in clinical and academic activities.
- Professional conduct, punctuality, and willingness to learn.
- Preparation of a brief clinical audit or case presentation towards the end of the fellowship.
- Attendance and involvement in discussions during daily and weekly academic sessions.

Value Addition

This fellowship will include participation in the Bombay Orthopaedic Society Basic Paediatric Orthopaedic Course from 8th November to 14th November 2025, providing an excellent opportunity to consolidate clinical learning with academic enrichment, interact with different faculty, and gain broader insights into evidence-based paediatric orthopaedic practices.

Mentors:

DR. RUJUTA MEHTA

Chief, Paediatric Orthopaedics
Wadia Childrens Hospital, Mumbai

WIROC 2025

Celebrating Six Decades of Orthopaedic Excellence

26TH -28TH DECEMBER 2025

THE WESTIN MUMBAI POWAI LAKE

www.wiroc.in

WELCOME MESSAGE FROM ORGANISING CHAIRMAN

Dear Orthopaedic Colleagues from the BOS & from across India,

Welcome to WIROC 2025. As the Bombay Orthopedic Society transits into the 61st year since its inception, we celebrate another milestone, the **Diamond Jubilee WIROC**. The Western India Regional Orthopaedic Conference is one of the most vibrant conferences in India and possibly across the globe, rich in scientific content and offers an excellent opportunity for networking with colleagues and industry. Over the years, organizing teams of each successive WIROC have raised the bar by organizing a superlative meeting and setting a new benchmark for teams to follow.

The organizing secretaries of WIROC 2025, Dr. Chasanal Rathod & Dr. Parag Lad, and the entire organizing team are putting in enormous efforts to ensure a **"Never Before WIROC"**, that will celebrate Six Decades of Orthopaedic excellence within the Bombay Orthopaedic Society. The conference will be held in the serene settings of **The Westin Mumbai Powai Lake** from **26 - 28 December, 2025**. My team and I are looking forward to welcoming you in true Bambaiya style.

As a prelude to the Diamond Jubilee WIROC, a host of academic events are being planned by the BOS Executive Council, in addition to the regular bimonthly clinical meetings, master series CMEs and the BOS courses. These include monthly webinars in collaboration with various societies across the globe, monthly outreach programs in collaboration with city or state orthopaedic chapters of 2nd & 3rd tier cities across India, and 4 surgery symposia to be held in Mumbai and telecast live to various cities across India. We welcome your participation in this academic festival!!

JAI HIND & LONG LIVE BOS

DR. GAUTAM ZAVERI
Organising Chairman

WELCOME MESSAGE FROM ORGANISING SECRETARY

Respected Seniors, Esteemed Colleagues, and Dear Friends,

It is with immense pride and excitement that we announce the upcoming WIROC 2025, themed **"Celebrating 6 Decades of Orthopaedic Excellence"**. This landmark conference will take place from **December 26th – 28th, 2025**, at **The Westin Mumbai Powai Lake**.

The theme for WIROC 2025 is "Celebrating Six Decades of Orthopaedic Excellence!" – A tribute to the remarkable journey of the Bombay Orthopaedic Society over the past sixty years. As we gather to commemorate 60 years of the Bombay Orthopaedic Society, we reflect on a journey filled with remarkable achievements, groundbreaking advancements, and the unwavering commitment of our members to elevate the standards of orthopaedic care. This theme encapsulates our dedication to honouring the legacy built by our predecessors while looking forward to the innovations that will shape the future of orthopaedics.

Our thoughtfully designed program will be an enriching experience featuring esteemed speakers, engaging workshops, and a platform for sharing the latest research and clinical practices across all sub – specialities.

We cordially invite all delegates and faculty to join us for this prestigious event. WIROC 2025 is a celebration of our collective journey to deepen our connections within the orthopaedic community. Together, let us honour the past while inspiring the future of orthopaedics.

Mark your calendars for an unforgettable event! Save the dates for December 26–28, 2025, confirm your participation, and get ready for an extraordinary experience at WIROC 2025!

LOOKING FORWARD TO SEEING YOU IN DECEMBER 2025!

DR. CHASANAL RATHOD
Organising Secretary

DR. PARAG LAD

**Registration Fees : Rs. 12,000 +
Rs. 2,160 (18% GST) = Rs. 14,160**

Convener :
Dr. Abhijit Kale

Co-Conveners :
Dr. Vaibhav Bagaria,
Dr. Ashit Shah

ABSTRACT

GENERAL GUIDELINES

At WIROC 2025, the organizers wish to encourage more delegates to present their work. With this in mind, abstracts can be submitted for submission in 10 broad categories. The best abstract in every category will be selected for presentation at the Masalawala Best paper session.

RULES

- Abstract submission can **ONLY** be done through the WIROC 2025 website – wiroc.in.
- Only **registered delegates** are allowed to submit abstracts.
- The same paper cannot be submitted for presentation in two different categories.
- A delegate can make only **one presentation** in each category.
- Only the **lead author** of the paper can make a scientific presentation at WIROC 2025. The presenting author, and no one else from the team, gets a certificate for presentation.
- The names of authors and the lead author cannot be changed after submission.
- **Do not mention** the name of the author or institution anywhere in the abstract, or it will result in automatic disqualification.
- The submitted scripts will be reviewed by a panel of experts in a blinded and coded fashion; WIROC 2025 Scientific Committee will intimate the delegate about the acceptance or rejection of the paper.
- The decision of the scientific committee is final regarding selection of your abstract for presentation at the conference.
- The WIROC 2025 Committee reserves the right to withdraw a paper at any time.

CRITERIA FOR DISQUALIFICATION

Automatic disqualification occurs if:

- Disclosure of author(s) name(s) or affiliation(s) directly or indirectly anywhere in the text of the paper.
- Previously published study.
- Papers previously presented in WIROC.
- Plagiarized / doctored study.

STEPS FOR ABSTRACT SUBMISSION

- Log on to the WIROC 2025 website – wiroc.in.
- Click on Abstracts.
- Read the general guidelines.
- Click on the category in which you want to submit the abstract.
- Read the guidelines for abstract submission in that category.
- Now upload your abstract/video.
- Once it is uploaded, press the submit button on the screen.
- Only if you get a dialogue box on the screen stating, “**Abstract has been submitted successfully**”, has your abstract been successfully uploaded.

ABSTRACT

FREE PAPER PODIUM PRESENTATION

Scientific research that you have conducted can be presented as Free Papers. If the paper is selected, then you will get an opportunity to make a podium presentation of your work at WIROC 2025.

The reviewers of the Free Papers score the papers based on various criteria. If your paper is amongst the 6 best papers scored by the reviewers, your paper will be automatically selected for competing in the Masalawala Best Paper session. Once selected for Masalawala Best Paper Session, you are required to submit full paper along with master chart within one week. Not submitting Full Paper & Master chart within stipulated time will result in disqualification of the paper from Masalawala Best Paper Session.

RULES

- Submit Abstract (400 words) in plain text format.
- The abstract should be structured as: Title, Introduction, Materials & Methods, Results, and Conclusions. It should include five keywords.
- Indicate which one of the categories the paper may be included.
 - Arthroscopy & Sports Medicine (Shoulder / Knee)
 - Joint Replacement (Hip / Knee / Shoulder)
 - Trauma & Reconstructive Surgery (Upper Limb / Lower Limb / Pelvi Acetabulum)
 - Tumour
 - Foot & Ankle
 - Infections & Metabolic
 - Paediatric Ortho
 - Spine
 - Hand
 - Miscellaneous
- It is mandatory for the author/s to submit on demand a Master chart of study data to WIROC 2025 Scientific Committee. The master chart should be verified and countersigned by the Head of Department in cases where the work has been done in a teaching institute or when the manuscript is a multicenter study. Failure to produce the Master chart may invite disqualification.
- Full text submission guidelines: The author/s should submit the full text of the abstract within one week of the intimation of acceptance of the manuscript. It has to be a Word document and divided into Introduction, materials and methods, Results, Discussion and conclusion. The full text should be a maximum 4000 words excluding the references and figure legends. The referencing should be standard Vancouver style. A maximum of six figures and 2 tables can be added and should be embedded in the word document. The manuscript should be entirely blinded and there should be no mention of the author names, affiliations, etc.

ABSTRACT

INTERESTING CASE / INNOVATIVE IDEA PODIUM PRESENTATION

An interesting case / series of cases either because it is an unusual presentation or an unexpected outcome or innovatively treated is ideal for presentation during this session. If selected, you will get a podium presentation to highlight your case. The best presentations will be selected for the BEST CASE session at WIROC 2025.

RULES

- Submit Abstract (300 words) in English in plain text format.
- The abstract should be structured as: **Title, Introduction, Case study/ Innovative Idea, Discussion and Conclusion**. It should include five keywords.
- Submission of abstract is **online only**. Details of the submission process can be found in the general guidelines.

E-POSTER SESSION

An E-poster is a short powerpoint presentation detailing your scientific work. At WIROC 2025, your PPT will be uploaded onto computers at the conference venue and will be open for viewing by delegates during the course of the conference.

Judges will select the 5 best posters. The lead author of these posters will get an opportunity to make a 2 mins presentation to the judges at the poster display area. There will be an award for Best Poster.

All posters carry the same weightage as Free Papers. Poster presenters will receive an acknowledgement certificate from WIROC 2025.

RULES

- Submit Abstract (300 words) in English in plain text format.
- The full paper should be structured as: **Title, Introduction, Materials & Methods, Results, and Conclusions**. It should include five keywords.
- There is a **prize for the Best Poster**

ABSTRACT

YOUNG SURGEON'S FORUM

If you are a young surgeon (<45 years of age on or before 31st December 2025), who is doing some outstanding clinical / basic science work that you wish to showcase at WIROC 2025, this is your chance. If selected for this prestigious award, you will get a podium presentation during the Plenary Session at WIROC 2025. Only original work conducted in India can be submitted for consideration.

RULES

- Only full papers will be considered for the award.
- Submit Full Paper in English in plain text format.
- The full paper should be structured as: **Title, Introduction, Materials & Methods, Results, and Conclusions**. It should include five keywords.
- A Master Chart needs to be submitted.
- Submission of the forum is **online only**. Details of the submission process can be found in the general guidelines.
- Only the **author's own work** is eligible for participation.

VETERAN SURGEON'S FORUM

If you are a senior clinician (>45 years of age on or before 31st December 2025), who is doing some outstanding clinical / basic science work that you wish to showcase at WIROC 2025, this is your chance. If selected for this prestigious award, you will get a podium presentation during the plenary session at WIROC 2025.

RULES

- Only full paper submissions will be considered.
- Submit Full Paper in English in plain text format.
- The full paper should be structured as: **Title, Introduction, Materials & Methods, Results, and Conclusions**. It should include five keywords.
- A Master Chart needs to be submitted.
- Submission of the forum is **online only**. Details of the submission process can be found in the general guidelines.
- Only the **author's own work** is eligible for participation.
