MESSAGE FROM THE PRESIDENT.....

GREETINGS FROM THE DESK OF THE HON. PRESIDENT

Namaskar, My Respected Teachers, Esteemed Seniors and Dear Colleagues,

At the outset, let me thank the Members of the Bombay Orthopaedic Society to Elect me to this August Organisation.

This is a momentous occasion for me to take over as the President of the most prestigious academic body in Indian Orthopaedic field.

BOS is an institution with an unwavering commitment to Academics and Skill improvement of orthopods all across the country.

The world is entering the Post Pandemic era. Maharashtra Government has already lifted the COVID-19 related curbs and let us make the most out of it.

BOS will be conducting 17 instructional courses through the year 2022-23 apart from 6 Clinical Meetings and 6 Master Cares Master Shares programmes.

We will be hosting "WIROC MAX 2022" at JIO World Trade Centre, Bandra Kurla Complex, Mumbai in December 2022.

I propose my Presidential theme as "Motivate, Innovate, Integrate - Redefining Orthopaedics"

President's post is not a status or a position, but it is a responsibility.

I humbly accept the responsibility.

Together let's work towards tomorrow.

Together let us take BOS to newer heights.

Jaihind!!!

Yours sincerely,

Dr. Rajesh Gandhi

Hon. President
Bombay Orthopaedic Society

MESSAGE FROM HON. SECRETARY.....

GREETINGS FROM THE DESK OF THE HON. SECRETARY

Dear Friends, Seniors and My Dear Colleagues,

As I begin my term as the Hon. Secretary of the Bombay Orthopaedic Society, I sincerely thank each one of you for trusting me with this responsibility.

As the pandemic restrictions end, it is an exciting new beginning for all of us. We have planned a wonderful year ahead, full of academics and clinical meetings in the physical format.

All our courses will return with cadaveric and hands-on workshops.

Our Master Series program will be in a hybrid format so that we can get some of the finest experts worldwide to speak to us on an array of topics.

We plan to have multiple outreach programs in collaboration with other societies across India.

We are happy to announce that WIROC MAX 2022 which will be a 'Maximum' mix of academics and fun to be held at Jio World Centre in the last week of December 2022.

Every event of BOS this year will aim to reflect 'Motivate, Innovate, Integrate and Redefine Orthopaedics' theme set by our President Dr. Rajesh Gandhi.

I look forward to your support in working together as a team, achieving academic excellence and taking BOS to new heights.

Yours sincerely,

Dr. Neeraj Bijlani

Hon. Secretary
Bombay Orthopaedic Society

MASTER SHARES & MASTER CARES SERIES

Convener of all Master Shares & Master Cares Series: Dr. Satish Mutha (Vice President, BOS)

The Master Cares Master Shares initiative was started in 2008-2009 as a novel idea for partaking in in-depth discussions on a focussed aspect in various specialities of Orthopaedics. Over the past several years it has witnessed a rich plethora of topics and enjoyed popularity as a value addition to the academic traditions of BOS. The AGM of 2015 and 2016 entrusted the responsibility of designing and conducting the series to the Hon. Vice-President of the association. This will be the 7th edition as a flagship activity; it's a proud privilege to have the opportunity to weave it around a central theme spanning all specialities. Orthopaedic Practise has witnessed immense advances and diversification over the past two decades. Of particular significance is the way they approach to treatment of certain common conditions has radically changed. We have therefore put the spotlight on these big ideas in a detailed overview; as they deserve centre-stage.

JOURNAL OF CLINICAL ORTHOPAEDICS - THE BOS JOURNAL

Rapid developments in all the subspecialties of orthopaedics means an explosion of knowledge. In our constant quest to keep up with it, we would invite and encourage the members of our society to submit their work through the manuscripts and papers to our Peer Reviewed Journal. We understand that the challenges in the subcontinent are different and so are the demands of our patients. Hence, we at the BOS wish to make this as a platform for our members and other orthopaedic surgeons to find solutions for problems that they can identify with, literature that speaks their language and knowledge that is relevant to practise in the subcontinent. There will be a multitude of reasons to publish and a basic motive is to share knowledge with colleagues. We invite you to submit your manuscript under the relevant sub specialities. Kindly Visit our website, www.jcorth.com to know more about the Journal of Clinical Orthopaedics.

BOS WEBSITE

The BOS website was updated last year and we have made it more user friendly. All the online educational activities are available on the website and have been categorized into different sections for easy navigability. Since the pandemic affected our ability to conduct physical meetings regularly, all the online meetings were recorded. They can be assessed via both the website and our youtube channel. The viewership to our youtube channel has grown and now we have 3000+ subscribers. The website will continue to update its members of the society's activities and publish reports and updates as it has done in the past. In addition, now the digital versions of all the quarterly Cadence newsletters released till date are available on the website. The BOS also intends to publish a recordings of all WIROC orations online on the website. We will continue to strive for providing high quality web based educational content for members.
