MESSAGE FROM THE PRESIDENT...

Greetings, esteemed members of the Bombay Orthopaedic Society (BOS),

It brings me immense pleasure to unveil the calendar of events for the upcoming year 2024-25. The BOS is committed to providing an enriching academic experience to all its members and non-members alike. We are proud to present an array of courses designed to benefit residents, recent Post Graduates, and seasoned practitioners seeking to enhance their knowledge and refine their skills. These courses also come with accredited Maharashtra Medical Council credit points.

Our lineup includes our renowned flagship courses, as well as some exciting new additions. The conveners and executive committee have devoted considerable effort to curate and structure these courses, ensuring they provide maximum value. We have taken into account the valuable feedback and suggestions from our esteemed participants in the past.

I am thrilled to announce the launch of a 6-week fellowship program in arthroplasty, a first for the Bombay Orthopaedic Society. Starting from July 1st, this fellowship offers a unique opportunity to observe and assist in robotic knee replacements, complex primary cases, revision surgeries, and participation in saw bone and cadaveric workshops. The fellowship, sponsored by BOS, will be hosted at Seth GS Medical College & KEM Hospital. Interested candidates are invited to apply to the secretary, and selection will be based on merit. Details will also be available on the official BOS website.

Our monthly Clinical Meetings and Master Courses are eagerly anticipated events, held on the first Sundays of every month.

WIROC 2024, our annual meeting in December, will feature a new venue this year. I encourage each of you to mark your calendars and join us in large numbers for this important event.

I urge you to peruse the detailed information on the courses, make your selections, and secure your bookings well in advance to avoid disappointment. Mumbai, a vibrant city with distinguished experts in the field, eagerly awaits your presence. May these courses not only enrich your professional knowledge but also offer a refreshing break from routine, allowing for an academic exploration and a delightful visit to our city.

I extend my warmest wishes to all for a fruitful learning experience and look forward to our gatherings and courses fostering knowledge-sharing and camaraderie.

Warm regards,

Dr. Mohan Desai
Hon. President
Bombay Orthopaedic Society

MESSAGE FROM HON. SECRETARY...

Dear Friends, My respected Seniors and dear colleagues

I begin my tenure as the Secretary of the Bombay Orthopaedic Society, with gratitude and responsibility.

Our Society has been at the forefront of quality orthopaedic teaching for last 6 decades, the smorgasbord of orthopaedic academic discussions and discourses.

The flagship and much anticipated academic activities including the Clinical Meetings, Dr L. N. Vora Master series, The Dr. J. C. Taraporvala PG Clinics are presented with a renewed vigour and enthusiasm encompassing the ethos of our presidential theme "Pioneering Progress, Honouring Legacy".

The members and the senior members of the Bombay Orthopaedic Society have been motivating us to bring innovative methods to make the academic programme more interesting and engaging.

This year we have a lot of engaging content which will be available for our members and orthopaedic surgeons to watch online on demand on our YouTube channel.

Networking through social media platforms will receive a boost and a constant update on the upcoming courses and programmes will be propagated on social media too.

This year we have 17 courses on different sub specialities of orthopaedics and the conveners have pushed themselves to pack maximum interactive content with adequate coverage of the subspeciality, wherever possible with saw bones, or elsewhere with hands on dissection on cadavers.

The BOS has now started fellowship opportunities in arthroplasty with a mentor and a key opinion leader in the speciality, the details of which are in this manuscript.

All the activities are available to the members at discounted rates, the non-members needn't be disappointed as we now offer membership and its benefits to new members with an immediate effect so that they can avail the benefits of our academic bonanza, as well as be a member and join our vibrant community.

The BOS "Student of the Year" was a novel initiative for the post graduate residents from Mumbai and around the city as was the BOS Rising star for the newly qualified orthopod, both these activities are also being conducted this year, to identify and groom budding orthopaedic surgeons from the city and ignite the spark in them to excel in their work and career.

The Bone and Joint Day and the BOS Day will be celebrated in keeping with our tradition of giving back to the society at large that we aim to serve.

The camaraderie of our brethren and the assembly of the vast talent that our society boasts culminates in the Jewel in the crown of our academic year which is the WIROC. As we soon usher in the 6th decade of our existence we acknowledge with deep respect the contribution of the giants on whose shoulders we stand and see farther, pioneering progress towards affordable and effective solutions for our patients

I beckon you to peruse this Calender of events to mark the dates and participate in the proceedings.

Dr. Ashish Phadnis
Hon. Secretary
Bombay Orthopaedic Society

DR. L. N. VORA MASTER CARES AND MASTER SHARES

Convener for Dr. L. N. Vora Master Cares & Master Shares Series (2024-25)

Dr. Samir Dalvie (Hon. Vice President, Bombay Orthopaedic Society)

This year the Master Series shall adhere to its stated purpose of having simple topics discussed by genuine Masters in the field. Aim is for the orthopaedic surgeon to interact with experts in the field for sharing knowledge based on their years of experience.

The theme is 'do it right' and most of the talks shall be based on techniques which give better outcomes for the problems which present to us.

Let us look forward to a scintillating series of didactic and interactive sessions with the experts in their field.

JOURNAL OF CLINICAL ORTHOPAEDICS - THE BOS JOURNAL

Rapid developments in all the subspecialties of orthopaedics equates to explosion of knowledge. In our constant quest to keep up with it, we would invite and encourage the members of our society to submit their work through the manuscripts and papers to our Peer Reviewed Journal. We understand that the challenges in the subcontinent are different and so are the demands of our patients. Hence, we at the BOS wish to make this as a platform for our members and other orthopaedic surgeons to find solutions for problems that they can identify with, literature that speaks their language and knowledge that is relevant to practise in the subcontinent.

There will be a multitude of reasons to publish and a basic motive is to share knowledge with colleagues. We invite you to submit your manuscript under the relevant sub specialities. Kindly visit our website, www.jcorth.com to know more about the Journal of Clinical Orthopaedics.

BOS WEBSITE

The BOS website was updated last year and we have made it more user friendly. All the online educational activities are available on the website and have been categorized into different sections for easy navigability. Since the pandemic affected our ability to conduct physical meetings regularly, all the online meetings were recorded. They can be assessed via both the website and our youtube channel. The viewership to our youtube channel has grown and now we have 3000+ subscribers. The website will continue to update its members of the society's activities and publish reports and updates as it has done in the past. The BOS also intends to publish a recordings of all WIROC orations online and the website. We will continue to strive for providing high quality web based educational content for members.

Pioneering progress, honouring legacy...

DATES: 20TH - 22ND DECEMBER 2024
VENUE: JW MARRIOTT MUMBAI SAHAR

www.wiroc.in

“From the desk of **ORGANIZING CHAIRMAN**”

Dear Colleagues,

It is my distinct pleasure and honour to address you as the Organizing Chairman of this year's WIROC 2024 Annual Conference. We look forward to intellectual exchange, collaboration, and innovation during the same.

WIROC has a rich tradition & legacy. It is well known for its academic content. While catering to the needs of general orthopaedic surgeons, it also highlights the advances in various subspecialties & quenches the thirst of the philomaths.

This conference is being planned with the aim of fostering a vibrant atmosphere for the exchange of ideas, experiences, and knowledge. Our theme this year is “pioneering progress, honouring legacy”. We hope to bring together a diverse group of experts, thought leaders, and practitioners who will share their insights and expertise, providing us with a wealth of information to enrich our professional and personal lives.

This conference would serve as a platform for networking and building meaningful connections. It would provide us an opportunity for all of us to engage in thought-provoking discussions, challenge our perspectives, and collaborate on solutions that will shape the future of orthopaedics. The success of this event will depend on your active participation, and I encourage each one of you to register for this event to seize this opportunity to connect with your peers, exchange ideas, and explore potential collaborations.

We will have perfect mix of academics with extra-curricular activities, alumni meets as usual.

Thanking you,

Dr. Mohan M. Desai
Organizing Chairman
WIROC 2024

“ From the desk of **ORGANIZING SECRETARY**”

Respected Seniors, Esteemed Colleagues, and Dear Friends,

Greetings! It is with great enthusiasm and pleasure that we extend our heartfelt invitation to the distinguished 59th Annual Conference of the Bombay Orthopaedic Society - WIROC 2024. This prestigious event is set to take place at the luxurious JW Marriott Mumbai Sahar, Andheri, from the 20th to the 22nd of December, 2024.

The theme chosen for WIROC 2024 is "Pioneering Progress, Honouring Legacy!" - a theme that reflects our commitment to recognizing the rich history of the Bombay Orthopaedic Society and embracing the advancements that lie ahead. In the ever-evolving field of orthopaedics, we understand the significance of learning from the past, adapting to new challenges, and ultimately evolving to pioneer progress.

Our meticulously curated program shall aim to provide each participant with valuable scientific content that will undoubtedly sow the seeds of pioneering progress for years to come. As we delve into the latest practice-changing updates across all sub-specialties and explore cutting-edge technologies, WIROC 2024 promises to be a platform where knowledge is exchanged, ideas are ignited, and innovations take root.

The Bombay Orthopaedic Society boasts a legacy earned through the dedication and contributions of its stalwarts. WIROC 2024 will not only be a celebration of this rich legacy but will also be a forum to foster camaraderie, build new bonds, and strengthen the sense of community within our esteemed society.

We extend a warm and heartfelt invitation to all delegates and faculty to join us in this special and unique scientific extravaganza. WIROC 2024 is not just a conference; it is an opportunity to be part of a momentous event that will contribute to the future of orthopaedics.

Mark your calendars, secure your spot, and get ready to be part of an unforgettable experience at WIROC 2024!

GENERAL GUIDELINES

At WIROC 2024, the organizers wish to encourage more delegates to present their work. With this in mind, abstracts can be submitted for submission in 10 broad categories. The best abstract in every category will be selected for presentation at the Masalawala Best paper session.

RULES

- The deadline for submission of abstracts in any category is **September 30th**.
- Abstract submission can **ONLY** be done through the WIROC 2024 website - wiroc.in
- Only registered delegates are allowed to submit abstract.
- The same paper cannot be submitted for presentation in two different categories.
- A delegate can make only 1 presentation in each category.
- Only the lead author of the paper can make a scientific presentation at WIROC 2024. Presenting author and no one else from the team gets a certificate for presentation.
- The names of authors and the lead author cannot be changed after submission.
- Please do not mention name of author or institution anywhere in the abstract or else, it will mean automatic disqualification.
- The submitted scripts will be reviewed by a panel of experts in a blinded and coded fashion; WIROC 2024 Scientific Committee will intimate the delegate about the acceptance or rejection of the paper.
- The decision of the scientific committee is final regarding selection of your abstract for presentation at the conference.
- The WIROC 2024 Committee reserves the right to withdraw a paper at any time.
- The WIROC 2024 Committee has the full authority to decide or change the category of papers.

CRITERIA FOR DISQUALIFICATION

Automatic disqualification occurs if:

- Disclosure of author(s) name(s) or affiliation(s) directly or indirectly anywhere in the text of the paper.
- Previously published study.
- Papers previously presented in WIROC.
- Plagiarized / doctored study.

STEPS FOR ABSTRACT SUBMISSION

- Log on to the WIROC 2024 website - wiroc.in
- Click on Abstracts.
- Read the general guidelines.
- Click on the category in which you want to submit the abstract.
- Read the guidelines for abstract submission in that category.
- Now upload your abstract / video.
- Once it is uploaded, then press the submit button on the screen.
- Only, if you get a dialogue box on the screen that your “Abstract has been submitted successfully” has your abstract been successfully uploaded.

FREE PAPER PODIUM PRESENTATION

Scientific research that you have conducted can be presented as Free Papers. If the paper is selected, then you will get an opportunity to make a podium presentation of your work at WIROC 2024.

The reviewers of the Free Papers score the papers based on various criteria. If your paper is amongst the 6 best papers scored by the reviewers, your paper will be automatically selected for competing in the Masalawala Best Paper session. Once selected for Masalawala Best Paper Session, you are required to submit full paper along with master chart within one week. Not submitting Full Paper & Master chart within stipulated time will result in disqualification of the paper from Masalawala Best Paper Session.

RULES

- The deadline for submission of abstracts is **September 30th**.
- Submit Abstract (400 words) in plain text format.
- The abstract should be structured as title, introduction, materials & methods, results and conclusions. It should include five keywords.
- Indicate which one of the categories the paper may be included:
 - Arthroscopy & Sports Medicine (Shoulder / Knee)
 - Joint Replacement (Hip / Knee / Shoulder)
 - Trauma & Reconstructive Surgery (Upper Limb / Lower Limb / Pelvi Aectabulam)
 - Tumour
 - Foot & Ankle
 - Infections & Metabolic
 - Paediatric Ortho
 - Spine
 - Hand
 - Miscellaneous
- It is mandatory for the author/s to submit on demand a Master chart of study data to WIROC 2024 Scientific Committee. The master chart should be verified and countersigned by the Head of Department in cases where the work has been done in a teaching institute or when the manuscript is a multicenter study. Failure to produce the Master chart may invite disqualification.
- Full text submission guidelines: The author/s should submit the full text of the abstract within one week of the intimation of acceptance of the manuscript. It has to be a Word document and divided into Introduction, materials and methods, Results, Discussion and conclusion. The full text should be a maximum 4000 words excluding the references and figure legends. The referencing should be standard Vancouver style. A maximum of six figures and 2 tables can be added and should be embedded in the word document. The manuscript should be entirely blinded and there should be no mention of the author names, affiliations, etc.

VIDEO PODIUM PRESENTATION

At WIROC 2024 we will be running an OPEN Theatre where videos made by delegates will be presented by the delegates. The videos must highlight routine or innovative procedures, newer technique or even examination of a patient.

The videos will be reviewed by our reviewers. The 4 best videos will be selected for presentation in the Best Video Competition at WIROC 2024. The rest of the selected videos will get a presentation during the open theatre session.

RULES

- Video & Abstract submission deadline is **September 30th**.
- Both a written abstract and a video must be submitted for evaluation.
- Written abstract must explain what the video is aiming to demonstrate (150 words).
- Manufacturer's demo videos are not allowed and will mean automatic disqualification.

TECHNICAL SPECIFICATIONS FOR THE VIDEO FILE ARE AS FOLLOWS

- File format: .mp4
- Duration: Maximum 8 minutes
- The 16:9 widescreen aspect ratio is preferred. Please edit in the native format of your camera if you can. 4:3 is acceptable. However, please do not "stretch" your video.
- The maximum video size allowed as an abstract is 500 MB
- Patient Privacy: Identifying information, including patients' names, initials, or hospital numbers, must not appear. This typically happens in pre and post-operative radiographs, and MRIs. Written consent must be obtained from each person appearing in the work.

INTERESTING CASE / INNOVATIVE IDEA PODIUM PRESENTATION

An interesting case / series of cases either because it is an unusual presentation or an unexpected outcome or innovatively treated is ideal for presentation during this session. If selected, you will get a podium presentation to highlight your case. The best presentations will be selected for the BEST CASE session at WIROC 2024.

RULES

- The deadline for submission of abstracts is **September 30th**.
- Submit Abstract (300 words) in English in plain text format.
- The abstract should be structured as title, introduction, materials & methods, results and conclusions. It should include five keywords.
- Submission of abstract is online only. Details of submission process in general guidelines.
